**ACADEMY INFORMATION** Now in its 8<sup>th</sup> year, World Athlete Track Academy promotes healthy lifestyles and lifelong recreation through the sport of track and field. All skill levels are welcome! Boys and girls can participate. Young athletes learn track & field basic skills. Advanced athletes are provided a more intensive training program. Athletes enrolled in Track and Field camp are coached in sprinting, hurdling, jumping, relays, weight training and conditioning. Skills are improved through a combination of small station drills, daily team practices and group lectures. Plenty of downtime is set aside for water breaks, supervised recreation, arts & crafts and board games.

Athletes participate in the weekly World Athlete Community Track Meet.

Athletes can sign up for any number of weeks. Awards are given to all athletes as well as individual contest winners and outstanding athletes. Our coaching staff is available for individual assistance at designated times. Large tents are available for shade/water breaks, lunch time and training lectures. The camp store will be open for food, beverages and snacks. Our coaching staff is passionate about track and eager to share their knowledge with young athletes.

Our track meets and distance Races (5K and 1 Mile Fun Trail Run) are open to the public. All ages and skill levels are welcome to enter. Information is available on our website.
