### ACADEMY PHILOSOPHY

The goal of the World Athlete Track Academy is to provide a fun opportunity for young athletes to learn fundamental skills for the sport of track and field. Athletes are coached in sprinting, hurdling, jumping, relays, weight events and conditioning. Skills are improved through a combination of small station drills, daily team practices and group lectures. Plenty of downtime is set aside for sports crafts, track movies and games. Athletes will have daily competitions and participate in the World Athlete Track Meet held one night during each Academy week.

### ACADEMY INFORMATION

Athletes can sign up for any number of weeks. Awards are given to individual contest winners and outstanding athletes. Our coaching staff is available for individual assistance at designated times. The Academy is held at the Moorestown High School track and 2 other convenient South Jersey locations. Large tents are available for shade/water breaks, lunch time and training lectures. The camp store will be open for pizza, beverages and snacks.

### ACADEMY STAFF

Academy Director Troy Pappas is the Head Coach of the Moorestown HS Boys Spring Track team. Entering his sixth season at Moorestown, his team won the 2006 BCSL League championship. His athletes have had 3 "Top 10" NJ Meet of Champions finishes, 2 South Jersey Sectional titles and 4 Burlington County Champions. Our assistant coaches have excelled in both high school and college sports.
